THE HILT

**PRESS R1 TO ACTIVATE THE HILT
AS THE IMMERSIVE TECH**

The player carries this hilt throughout the game. During a fight with the enemies, it can be transformed into a multi-blade spear. In the game, the heavier weapon the player uses for a longer time; causes more fatigue. That is why apart from fights the hilt mode is recommended.

VR MOTION

**PRESSING R2 WITH THE
1-TIME DOWNWARD
MOTION WILL ACTIVATE
THE ICE-BLADE**

Unless the BLACK BUTTON is pressed once,
the weapon will not switch back to Hilt mode.
